RECYCLING DRIVE FOR SCHOLARSHIP

Hi Knolls Friends,

I have been collecting bottles and cans in order to finance a university education for a scholarship student from the village Jinoteja in Nicaragua that I will be visiting in June.

My goal is 16,000 bottles to reach \$800 which will pay for one year. This effort will be going all summer, any bottles or cans you accumulate is very much appreciated! You do not have to rinse or separate. I will come to pick up whenever you want. So please, call or text me at 203-644-0416 at any point during the summer that you have recyclables you are willing to donate. In addition I will place recycling bins around the Knolls near the mailboxes and the beaches that you can put your recyclables in at any point.

Thank you so much!

Kaitlin Reif
