Candlewood Knolls Children's Program

The CKCP is wrapping up week 6, and we had a very busy week, to say the least. We started off by having a Swim Team Breakfast to get all of our swimmers a good meal before our last Swim Meet against the Isle. Unfortunately, the CKCP Swim Team came up short, but they were very competitive and showed great heart and respect, along with good sportsmanship!

We also went to the Sportcenter Complex in Shelton, CT followed by the Everwonder Children's Museum in Newtown on Wednesday and Thursday. We were also able to squeeze in our last Tennis Clinic as well as our last Stand Up Paddleboarding lesson. With all of this going on, the counselors did a great job implementing the Olympic Events that have been running all week as well.

Looking ahead to next week, we will have Lakeside Watersports for ages 7 and up here on Tuesday, Red Rooster mini golf for ages 5-10 on Wednesday, Taco Day on Thursday (Campers stay for lunch and leave at 3:00) and then the big Talent Show/Campout. The different groups and individual have been working hard on their routines and it will be an awesome night starting at 6:00 pm. There is a list of what each group needs to wear for the night of the Talent Show

The Campout is an annual and wonderful event as the 7/8's will sleep upstairs in the clubhouse and the campers that are in the 9+ groups will be in their tents outside. There is no camp on Friday so that all can recover!

The CIT's have a thankless job during the Summer as they are asked to do so much without being compensated for. Starting on the night of the Talent Show, there will be a "Tip Jar" to help support their hard work throughout the Summer. They are asked to go above and beyond while learning the skills of being an effective counselor at the same time. We ask that you support them in any way that you can. After the Talent Show, the "Tip Jar" will be left in my office throughout the week and anyone is more than welcome to help fill it up during the week if they so choose to do so.

Please stop down or send me an email if you have any questions or concerns about any of the upcoming events.

Phil
