Fun & Friendship at the
Lake since 1929

President's Corner

As you look around the Knolls you will be pleased to see a variety of as-set improvements we made during the winter;

- > New catwalks and docks at North and South beaches.
- > New seawalls at Club Beach and South Beach (including new concrete stairs with a handrail).
- > Several maintenance items accomplished at the Club house, including the new installation of attic stairs at the club house.
- > All drainage upgrades completed on Overlook, Kepler's and lake Shore South.
 - > New access stairs from Ridgeway to Overlook (see pictures).
 - > New "down" lighting installed at the guard house.

As we move forward into 2013 we will be looking to rebuild the Seawall at Middle Beach, placing sprinkler systems on the ball field, the mailbox island and the front entryway gardens, acquiring a new dump truck, plow and sander as well as a new riding mower. We are also soliciting bids to paint the club house and garage to keep our #1 asset in shape and will be adding new sand to the beaches over the next few weeks. During the year we will also be exploring ways and means of achieving several longer range objectives; the club house basement and bar areas among others.

I also want to take this opportunity to congratulate Dan Hamilton on his 20th anniversary here at Candlewood Knolls!

We are looking forward to a great summer.
