Bone Marrow Donors... Heros Needed

One of our residents, 18 year old college student Kendall Schmidt is in need of a bone marrow transplant. Have you ever considered becoming a donor? There are a few ways to get started. You can go to your local physician and get a simple swab or blood test. There are two ways donors are matched with recipients; the National Bone Marrow Registry and a private donor registry. Kendall is currently on the National Registry list. Peggy Hayes has information pertaining to the private registry that would be set up specifically for Kendall. To learn more about being a donor and the steps involved you can go to the following websites: www.marrow.org or www.bonemarrowtest.com. Peggy has information that she can pass on to anyone who is interested in hearing a bit more about the process. The Schmidt family appreciates all of the good thoughts and prayers being sent their way.

Peggy's Picks

Looking for a fun and different place to dine and like Mexican Cuisine? Try: Las Mananitas 1250 Route 22, Brewster, NY (just north of I-684) 845-279-4646.

This place has old world charm with good food in a rustic old house with a charming water view. If you like Guacamole, I found that theirs is the best east of the Mexican border. They have a large menu, enough to please everyone's pallet. Save room for their Gran Finale (or as we know it: dessert) I had a delicious Sopapila which consisted of Hagan Daz fried ice cream with sweetened fried tortillas.

There is a full bar, as well as an outdoor dining patio. This restaurant is not far from here, just be willing to leave New Fairfield...

Deadline for printing Knolls News Notes is Monday night. Call Peggy Hayes at 746-2283 or send email to : peggyhayes11@yahoo.com. You can also drop off your information at the Knolls office by Monday morning

3 & 4's

The 3 & 4's had another great week at camp. The kids loved playing circle games- Duck- Duck-Goose is a clear favorite. Though they also love free swim, the swim lessons with Nikki and Kristy were a huge success this week. The 3 & 4's are looking forward to another great week.

5&6s:

This week was another successful week for our crazy campers! It started off like any other with competitive games of dodgeball, soccer and steal the bacon. However, as the week progressed, daily swim lessons made our campers strong enough to compete in their second swim meet of the year. On Thursday, they repeated their triumph of swimming in the lanes by showing of their talent in the kickboard races. The week came to a close with the campers enjoying Pizza Day on Friday. Overall, it was another enjoyable week for the 5&6s!

7&8s:

Oops, nothing was reported this week.

9&10s:

The 9&10s enjoyed a week full of games and activities, a swim meet and who could forget—PIZZA! They played fun games including dodgeball, Nuke'em, SPUD, knockout and steak the bacon. They had an exciting victory against the Isle swim team with many of them winning their races. The 9&10s ended the week with a camp-wide Pizza Day! They had pizza, juice boxes and cookies and played a bunch of new water games with Nikki and Kristy including Sharks and Minnows.

Juniors:

Three weeks into camp and the Juniors have enjoyed every minute. This week was full of firsts as we had our first try at paddleboarding, wakeboarding and waterskiing along with a new game-Scatter Dodge. The week finished off with a victory against the Isle and our annual Pizza Day. The Juniors were left more excited for our upcoming field trip to Catamount.

Seniors:

Week 3 at CKCP started off with a relaxing day of swimming, basketball and enjoying summer. On Tuesday, the seniors headed off to Kent Falls for a fun-filled day of hiking and sightseeing. On Wednesday, all of the senior campers competed in exciting games that really kept them loving summer. Thursday was the big day where we competed against the Isle in a swim meet that ended with a win for the Knolls. Finally Friday we sat back and relaxed with a great Pizza Day that the campers all enjoyed.
