Pancake Breakfast

Because of many hard working volunteers on Saturday morning our community enjoyed a wonderful homemade breakfast. Without them, it would not be the ongoing success that it has become. A special thanks to the following people for all of their help: Gloria, Terry and Catherine Craven, Donna and Louie DeSantis, Teresa and Winston Wohr, Maria Stonecipher, Mike Dapolite, Tom Gibbons, Jim and Amanda Ogden, Harry Pagel and Jed Wilson.

Clambake 2010

The Knolls residents caught the hook and 150 people attended the 2010 Clambake. The seafood was fabulous, the drinks were shaking and the club glowed with the candles and nautical decorations. Let it be stated the new drink at all Knolls Events is now Candlewood Cooler, created by the North Beach 5. Thank you to all the extra bartenders, garbage patrol and many extra hands that assisted in making the evening enjoyable and a great success for the beginning of the 2010 season.

Children's Program Weekly Review

The Toddler Group, with counselors Amanda and Olivia, had a very busy week. The campers, all boys this season enjoyed being in the water, playing circle games, doing arts and crafts projects and even story time.

The 5&6 counselors, Melanie Wohr, Michael Craven, and CIT, James Wohr are thrilled to be back for another fun-filled summer at CKCP! We are so happy to be working with the 5&6 year old age group. Their enthusiastic personalities and positive attitudes make working with them such a pleasure. Whether it was learning to play kickball or venturing out on the lake for a canoe trip, the 5&6's were up for almost anything, with smiles on their faces. We ended our

week with our first ever CKCP Carnival; a complete success! Our little campers enjoyed bouncing in the Moon-Bounce, eating delicious popcorn and lemonade, and participating in some competitive relay races. We look forward to an exciting summer- one that we hope will be unforgettable!

The 7&8s took off this week like a sailboat in a race. Catherine and Brendan were the wind that kept the group on their course. Occasionally, rough waters attempted to divert the campers, but their perseverance made for an awesome week! The 7&8 year-olds started in the lanes with kick boards and progressed to swim independently like the turtle, Bob. Our campers discovered Bob while waiting on the dock to practice their new diving techniques. He is now the official 7+8 group mascot. This week we made friends, played new games, and relaxed at North Beach. The week concluded when we came together as a camp to enjoy the first ever CKCP Carnival. Together, the 7&8 group was able to smoothly navigate the first week of camp.

The 9&10 group, led by Bissy and Taylor, began their summer with smiles and positive spirits. Throughout the hot first week, we had many adventures and did group team building activities. We went to North Beach where we played in the sand and water. Back at camp we enjoyed our time at the field and basketball courts. Thanks to Nikki and Kristy for a great week of swim team! The

9&10's are looking forward to a summer of laughs, fun times, and creating awesome memories.

As we embark on the first week of our eventful summer, our 11&12 (Junior) campers arrived with smiles and towels ready. We made our way to North Beach and learned some new games. Some of this week's popular activities include Nuke 'Em, Capture the Flag, and the Clapping Game. As we're settling in, things are becoming more organized and fun. Our campers are meeting their group mates and forming an even closer bond.

Scott Roberts and Annie Mulholland had an exciting first week with their group, the 13+14's (Seniors). We started off the week with a fun trip to North Beach where we swam and began a fun new game called "How High" involving a volleyball and the 11 and up campers. Our swimmers are strong this year and we prepared for our first swim team with practices and time trials towards the end of the week. We are very eager to begin our swimming season with a meet against the Candlewood Isle on Thursday! Another activity that our group enjoys is Nuke 'em. Whether we are playing a small game with our group or joining with the 11+12's, our activities are always exciting! We had a great end to the week with the Carnival on Friday. There were fun field games and especially thrilling relay races. We agree that our group is sure to have an amazing summer with great memories. We are already planning some great field trips and are excited for what is to come!

Swim meet: Our first swim meet of the season will be held on Thursday, July 8th at Candlewood Isle. Drivers are needed. If you can drive some of our swim team members to the meet please be at the Clubhouse at 9:00 AM on Thursday morning.

Reminders: Parent volunteers are needed to drive to some field trips, swim meets and to teach enrichment activities. Sign up sheets are available at the mail boxes and in the camp office. Also, please make sure campers are using sun block daily and are applying it often.
