What's Been Happening In The Knolls

Softball: The weather was good, maybe too good, because not many people were willing to leave the beach to play. But 10 softball enthusiasts ventured out to enjoy a fun afternoon. Because of the low attendance, teams had to pitch and catch for themselves and cover several positions.

There was only one injury reported, when Jerry Garbowski threw to third only to find it unmanned by his team. Unfortunately, runner Amanda Ogden (naturally) got hit. But luckily, no serious injury was reported.

Sailboat Race Results:

On Sunday, July 10th, The wind wasn't great but the 4 sail boats persevered. Fun was had by all of the South Beach Spectators as they watched the boats try to catch a wind. The Eckelman boat came in first, followed by the Neill boat. Third place was the Stroh boat, and fourth was the Blaine boat.

Bocce: The first Bocce night was held on Saturday, July 9th, hosted by the Pagels, with help from Rich Stroh, Rob Reif, Kevin Keenan and Lucas Scheer. And naturally, Peggy Hayes was present and in charge of selling raffle tickets with her usual flare.

It was a good turn out, with about 75 people attending and enjoying a delicious dinner of burgers, hot dogs, Rich's home made chile, sausage and peppers and several salads. The bocce tournament was won by Mike and Jen Dapolite, beating Rob Reif and Kevin Keenan in the finals. We hope to have a few more bocce nights this year.

Golf Outing

Golf Outing: July 22nd. \$125 per golfer— email your reservation to Candlewood-classic@gmail.com. Drop your check off at the Knolls Office.

Fun & Friendship at the
Lake since 1929

Community Corner

Dragon Boat Race update:

Candlewood Knolls is preparing to participate in it's second Dragon Boat

Race. The Dragon Boat Race is an annual fund raiser for the Candlewood Lake Authority. The event raises money for the Authority which is dedicated to protecting the ecological value of Candlewood Lake. Our own Candlewood Knolls board has graciously donated to this event. Community members at Bocce night this past Friday helped raise money by participating in a raffle held to raise funds for this year's event. Look for other CK events for opportunities to contribute to this worth while cause. Our lake depends on it.

REMINDER!!!

Community Clean Up Day: There will be a Community wide Clean Up Day in August. Look to future issues of the Notes for date and time. Volunteers are needed to participate. Please help us to continue our beautification projects.

Ladies Night

The next Ladies Night is scheduled for July 26th at 7:30 PM at the Clubhouse. Jewelry making will be taught by Lynn Luberger and Jodie Chadwick. The price will range from \$15-20, depending on materials chosen. Again, please bring your own beverage of choice, and a snack to share. Call Peggy Hayes at 203-746-2283 to reserve your spot.

Look for additional events in future issues of the Notes.

Craft Night

Craft Night is right around the corner, on Tuesday, July 19th. Once again Lynda Rubin is hosting this annual favorite. If you are interested in setting up a table (or two) please call Lynda at 516-582-1656. It is amazing to see all of the wonderful items that shows off the talents of our Knolls Residents. Please see the attached flyer for details.

Notice

There will not be an issue of the Knolls Knews Notes next week.

President's Update

On Friday, July 8, 2011 at the annual Stockholder Meeting, the Community approved the go ahead for the new Knolls Entryway. At a special Tax District Meeting that same night, the funding for the project was also approved.

I want to thank all of you who asked the detailed questions which can only make the project more successful. I want to thank John Hyland and his team for the work they did to bring it to this point, and finally, I want to thank all who voted. We will do everything possible to reward your support as we complete the project.

The next steps are to go to bid, award the bid and start construction in the fall. I will provide regular updates via the Notes or the website.

Again, my thanks for your support.

Arnie Eckelman

Deadline for printing Knolls Knews Notes is Monday night. Call Peggy Hayes at 746-2283 or send email to : peggyhayes11@yahoo.com. You can also drop off your information at the Knolls office by Monday morning

Children's Program Weekly Update

Week 2 Recap

3&4's: With the start of our second week at camp we were joined not only by our two new CITs, Jennifer and Brian, but we also gained a new friend! Our new buddy Luke jumped right in and fit in with the rest of the group as if he'd been there from the start. The kids have been entertaining themselves (and the counselors) with their renditions of The Itsy Bitsy Spider and Twinkle Twinkle Little Star. Who knew we had such talented singers in our little group? Maybe everyone will even be lucky enough to see some of that singing when it comes time for the Talent Show in August, so we'll keep our fingers crossed! This little group is really finding their niche in camp and every week we're learning new things about what the kids like (and don't like!) The kids will certainly be keeping us busy with the crazy amount of energy they seem to never run out of. I don't know about them, but by the end of the day, I know one person who's eager for a nap.

5 & 6's: After the 4th of July, the 5&6s were rested and ready for an exciting week ahead. They started the week off strong with some intense water relay games. A trip to Red Rooster on Thursday would keep their spirits up. Everyone had a great time playing mini-golf and a nice serving of ice cream would cool them off afterwards. To end the week, the campers participated in a camp-wide Capture the Flag tournament. Overall, it was a very successful week!

7&8s

The 7 and 8 year-olds had a fantastic week, participating in activities ranging from dodgeball, to capture the flag, and so much more. We also prepared for the upcoming swim meets under the guidance of our wonderful swim instructors--Nikki and Kristy. The 7&8s were also paired with a Junior camper, who are excited to have a mentor throughout the summer, creating a bond known as "bigs" and "littles." On behalf of the 7&8 counselors, we hope to have a wonderful summer that your children will never forget.

9&10s

The 9&10s had an exciting week down at CKCP. The sun was shining as we spent an afternoon on a canoe adventure to Blueberry Island. A

Juniors

Our campers had a very productive week, we prepared for our upcoming swim meet with some time trials and worked on technique. On Thursday we had the camp to ourselves due to the 10 & unders being at mini golf and the 13 & 14's spending the day at North Beach. We made the most of it by playing Steal the Bacon but with some slight changes to the rules and some fun water games like Sharks and Minnows. Friday our whole camp got together to play a giant game of capture the flag. We finished the week with a surprise Big and Little ceremony where every 7 & 8 got paired with one of our 11 & 12's.

Seniors

Week 2 proved to be even better than the one before. Our campers prepared flyers to promote our Support the Troops week. We celebrated the 4th of July and calmed down with yoga. Old but mighty, the Seniors continue to fight through the heat.

Support the Troops Week:

Our campers did a fantastic job writing thoughtful letters for our soldiers last week. I am very proud of all of our participants. We are still collecting toiletries for the troops through the end of the next week. There is a table set up in the clubhouse for all donations.
